

Guru Nanak Dev Engineering College, Ludhiana

Kind attention: Students of Core Engineering, CSE/IT/MCA and MBA

Entrepreneurship Cell of Guru Nanak Dev Engineering has arranged a demonstrative workshop on "Realising your Dreams". This workshop will present Er. Harpreet Khattar, MD Harksh Technologies Pvt. Ltd, who is Masters in Business Administration and a well known speaker / motivator. Students will be benefitted by getting tips about:

- 1) How to unlock one's potential
- 2) How to decide about career path
- 3) How to leverage IT technologies in your career
- 4) How to work with International Clients from your home,
- 5) Vulnerabilities faced by Internet user.
- 6) How to convert your idea into venture
- 7) Funding option available for your startup

Er. Khattar was enlisted in "Social Student Entrepreneur of India" by Global Student Entrepreneur Awards (GSEA'11), awarded "Entrepreneur of the Region Chandigarh" in 2012. He authored a book entitled "Security Breached".

Workshop will be held at 04:00 pm on Tuesday 8 November 2016 in the Auditorium. Students who register online (at <http://gdy.club/dream>) for the workshop before 08:00 am 8th Nov., will be eligible for lucky Draw to receive goodies.
