Ludhiana: In what comes as the best Diwali gift for 128 students of Guru Nanak Dev Engineering College, they were recruited by Tata Consultancy Services and Infosys during the four-day campus placement drive. The students, who were doing Btech and MCA, have been offered packages between Rs 3.25 lakh and 3.5 lakh per annum.

"This is actually a Diwali gift for me. Getting a job during campus placement in a company like TCS on a package of Rs 3.5 lakh is something that deserves celebrations. I dedicated four years to studies for this day and now feel like jumping with excitement," said Tushar Mendiratta, a student of Btech, mechanical.

Madhvi Bansal, an MCA student who has been recruited by Infosys on a package of Rs 3.25 lakh, said, "I am the single student to be recruited by the MCA department, so it definitely feels good. It's like a dream coming true."

Ravneet Kaur Hundal, a student of Btech-Information Technology, has realized a long cherished ambition. "I saw the excitement etched on the faces of our seniors when they were recruited. From that day, I was determined to get a good job during campus placement. Today, I have made it. Nothing could be as exciting and amazing than this."
