LUDHIANA: Two firms TCS and INFOSYS conducted a placement drive for the students of BTech, MTech and MCA on the campus of Guru Nanak Dev Engineering College (GNDEC) from October 23 to 29.

The selection was done via two rounds namely aptitude test and personal interview. A total of 128 students got placed in either of the two companies with yearly packages of 3.5 lakh.

The placement drive was successfully conducted under the
