## Two-Week Faculty Development Program

(Under TEQIP-II)

On

# Waste Management and Optimization Techniques

(27<sup>th</sup> Dec 2015 - 5<sup>th</sup> Jan 2016)

Organised by

**Deptt. of Production Engineering** 

Guru Nanak Dev Engineering College Ludhiana-141006, Punjab

#### ORGANIZING COMMITTEE

#### Patron

Prof. (Dr.) M.S Saini (Director, GNDEC)

#### Chairman

Dr. J.S Grewal (HOD)

#### Coordinator

Prof. (Dr.) Rupinder Singh

#### **Organizing Secretary**

Prof. Jagdeep Singh

#### **Members**

Prof. B. S. Gill

Dr. Harpuneet Singh

Prof. Parminder Singh Sidhu

Prof. Rohit Sharma

Prof. Iqwinderpreet Singh

Prof. Kanwalpreet Sahni

Prof. Arshpreet Kaur

Prof. Gauravdeep Singh

Prof. Paramjit Singh

#### **Contact Persons**

Prof. (Dr.) Rupinder Singh +91 9872257575 (M)

Prof. Jagdeep Singh

+91 9779200280(M)

E-mail: fdp.pe.gndec@gmail.com

### Waste Management and Optimization Techniques

(27<sup>th</sup> Dec 2015 - 5<sup>th</sup> Jan 2016)

#### **REGISTRATION FORM**

Name	
(In Block Letters)	
Qualification	
Male/Female	Age
Designation	
Institution	
Address	
Mobile	
Email id	
Accommodation required:	
YES/NO Sponsored by	
Date	
Signature of the Applican	t

Signature & Stamp of Sponsoring Authority

#### **ABOUT THE INSTITUTE**

Guru Nanak Dev Engineering College (An Autonomous College under UGC Act), established in 1956,has been straining persistently in the field of education by comprehending the need for upliftment of rural youth in highly competitive, technologically-elevated society, in particular, and understanding the thirst for knowledge of students and quenching it in general. The College has been declared an Autonomous College by UGC, New Delhi on 17.8.2012. This college has the privilege of starting Ph.D degree under Quality Improvement Programme (OIP) by AICTE, New Delhi. Recently, the Institute was ranked Best Government Engineering College Award (ABP, earlier known as Star TV) & 3rd position under the category of Top Engineering College ranked by State (CSR- GHRDC Engineering College Survey 2012). Apart from offering various Accredited graduate level B.Tech courses vis-a-vis Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics & Communication Engineering, Mechanical Engineering, Production Engineering, Information Technology, the institute imparts instruction in eleven Postgraduate M.Tech courses both on regular and part time basis. An excellent platform is provided to the researchers leading to Ph.D degree program.

#### LOCATION

GNDEC is located in Ludhiana, Punjab on Ludhiana-Sangrur state highway. Ludhiana city is a well known Industrial hub in Northern India and is well connected by direct rail service with all parts of India. The beautiful campus is about 7 Kms. away from railway station. The weather in the month of Dec/Jan in Ludhiana is cold (10°C to 20°C).

#### **ABOUT THE FACULTY DEVELOPMENT PROGRAM**

The Department of Production Engineering offers to conduct a Faculty Development program on "Waste Management and Optimization Techniques" from 27th Dec 2015 - 5th Jan 2016 for the faculty of engineering serving in various reputed Engineering Colleges of Puniab and other states.

The objective of this initiative is to enhance the capabilities of teaching faculty in higher education under the domain of 'Waste Management and Optimization Techniques'. The program aims not only to develop technical skills on waste management and optimization techniques but also provide a platform to the teachers to understand and plan effective strategies to improve the interactive technological skills of the students.

We believe that this program will enrich the faculty with the techniques to promote innovative learning and teaching. The Faculty Development Program will be conducted for two weeks. Each Day will comprise of minimum four sessions in which the experts will deliver their lectures and brainstorming activities on various topics related to waste management and optimization techniques.

Session I 9:30am - 11:00 am

Tea Break (11:00am-11:15am)

Session II 11:15am - 12:45pm

Lunch (12:45pm - 1:30 pm)

Session III 1:30pm - 3:00pm

Tea Break (3:00pm-3.15pm)

Session IV 3:15pm – 4:45pm

#### THE PROGRAM WILL FOCUS ON THE **FOLLOWING IMPORTANT TOPICS**

- Waste Management
- **Optimization Techniques**
- **Machining and Casting**
- Reliability
- **Agile Manufacturing**
- Flexible Manufacturing Systems
- Lean Manufacturing
- Maintenance and Reliability
- **Industrial Engineering**
- Value Engineering
- **Quality Assurance**
- Supply Chain Management

#### **RULES FOR REGISTRATION**

- > The Colleges are requested to send in maximum five nominations from Engineering Departments of their esteemed institution.
- All the Faculty members must fill in the enclosed registration form in order to confirm their willingness to participate and send it positively by 20<sup>th</sup> Dec 2015 fdp.pe.gndec@gmail.com or by post.
- No request for registration will be accepted after 20<sup>th</sup> Dec 2015.
- > There is no Registration fee.
- **Certificates** will be issued after the completion of the FDP.
- Accommodation will be provided to out station participants as per availability.
- No TA/DA shall be provided to the participants.
- Your timely registrations will help us plan the event better.
