GURU NANAK DEV ENGINEERING COLLEGE
Gill Road, Gill Park, Ludhiana

SS/24/Spl-11   Dt. 03-08-2017

<u>Public Notice</u>

All students seeking admission in B.Tech. first year should note that syllabus of all branches in the B.Tech. first year is common therefore after successful completion of B.Tech. first year (Two semesters without any pending reappear in internal/external exam.) student can participate in the process of **up-gradation** of branch. In this process merit of all those student that apply for up-gradation is prepared on the basis of combined CGPA of first and second semesters. Depending upon the availability of seats in different branches these vacant seats are offered merit wise. For example during up-gradation process of July-2017 there were 40 vacant seats in different branches which were shuffled among the eligible students (those who passed with good CGPA in B.Tech. first year).
